Adverbs of manner sentence completion

Without looking at the last page for now, add adverbs of manner to the sentences below to make possible sentences about using and learning languages. Try to make true sentences about yourself if you can, but don't worry too much about being factual at this stage as long as you can use adverbs.

I (really) need to...

I (really) want to be able to...

I can already...

I can't...

It would be nice to be able to...

I'm trying to...

Look at the last page to help you with the task above.

Convert the expressions below into sentences with a verb and adverb of manner.
