

Favourites making sentences alphabet dice games

Roll a dice twice then try to make a sentence with “My favourite... is...” with the first roll of the dice topic and the second roll of the dice first letter, e.g. “My favourite fruit is kiwi fruit” if you roll 4 and then 3. You get one point for a correct sentence and another point if your partner believes it is true about you.

| | Number on the dice | First roll of the dice | Second roll of the dice |
|--------------|--------------------|------------------------|----------------------------|
| My favourite | 1 | sport is | a b c d |
| | 2 | vegetable is | e f g h |
| | 3 | drink is | i j k l |
| | 4 | fruit is | m n o p |
| | 5 | colour is | q r s t |
| | 6 | animal is | u v w x y z |

Switch groups and do the same with trying to guess “Your favourite...” about your partner(s) in the same way. You get one point for any sentence which makes sense, and another point if it is true about your partner.
