

## Colours Make Me Say Yes personalised speaking game

Ask each other personal Yes/ No questions about colours such as one of the questions below. You get one point for each time that your partner says "Yes" but no point if they say "No".

### Suggested Yes/ No questions about colours

| Question                    |        | colour          | object          |     |   |
