

Teacher Notes

How do you say it?

1. Hand out the paper. Talk about the situations.
2. Tell the students to write down what they would say. Hand out two or three worksheets because they'll have to write down your suggestions and corrections.
3. Ask students to read what they've written out loud.
4. Take notes on the students' errors. Talk about errors and make corrections and suggestions.
5. Use the sentences to practice pronunciation.
