*Share feelings and experiences that you have in common with your partner(s) and see if anyone else in the class is the same.*

*Share your partner's most surprising feelings and experiences, listen to the same from other groups, then vote on the most surprising.*

*Ask about any phrases or topics above which you aren't sure about, working together to make suitable sentences each time.*

### **Be and get used to cultural differences guess the country game**

*Choose a country. Without saying the country's name, talk about special things in that place and how strange foreign people find them, and talk about how quickly and how much that feeling of strangeness decreases. Continue talking about the same country until someone guesses where you are talking about, discuss if they agree with your descriptions, then guess other people's choice of places in the same way.*
