

Test each other on insurance vocabulary checking/ clarifying practice

Take turns asking each other questions from below. You should then tell your partner if their answer is right or why it is wrong, so please **don't ask questions that you don't know the answer to**. Please don't look at the sheet when you are answering the questions.

Can you give me an **example** of a natural disaster?

Can you say auto insurance (in) **another way**?

How do you **pronounce** C, Y, C, L, O, N, E?

How do you **spell** /fluding/?

How many **syllables** does fraud have?

Is claim the **same** as complain?

Is the (letter) T in mortgage **pronounced** (or is it silent)?

What does bankruptcy **mean**?

What does FSA **stand for**?/ What is FSA **short for**?

What's the **difference (in meaning)** between lump sum and annuities?

What's the **difference (in pronunciation)** between crash and crush?

What's the **opposite** of employment?

Which syllable of casualty is **stressed**?

Useful phrases for double checking the question and answers

Sorry, I didn't **catch**...

Can you say that **again** (more slowly)?

Can you **repeat** (that/ the whole thing/ the first part/ the last part)?

Did you **say**... (or...)?

Can I check that **back**?/ Can I read that **back** (to check)?

Ask similar questions using the prompts below, again not asking questions that you can't answer yourself and not looking at the worksheet when your partner is asking you.

exclusion – example?

tidal wave – (in) another way?

P, O, L, I, C, Y – pronounce?

/erthkweik/ – spell?

liability – how many syllables?
