

Used to, be used to and get used to sentence completion games

Used to, be used to and get used to sentence completion guessing game

Fill in at least half of the sentences on the next page. Choose one that you have completed and read out just the part which you have written (not the sentence stem which was already there), and see if your partner can guess which sentence you completed with that information.

Useful language for playing the guessing game

“No, that’s not true because...”

“No, that’s not possible (grammatically) because...”

“No, that doesn’t make sense because...”

“That is also true, but it isn’t the sentence I wrote. Try again.”

Ask about any sentences which you couldn’t use, couldn’t understand the differences between, etc. Then change partner and play one of the games below.

Used to, be used to and get used to sentence completion bluffing game

Choose one of the sentences for your partner to complete, listen to their sentence, ask for more details, then guess if the sentence is true or not.

Used to, be used to and get used to things in common sentence completion game

Try to make sentences using the sentence stems which are also true for your partner(s).
